

EUGENE TIMBERS FC INDOOR PROGRAM

ETFC Winter Developmental Skill Program for Kids Age 8-15

Winter Skill Program

This program is offered to all players who are between the ages of 8 and 15. The tenor of this program is to provide additional training to players who want or need more to prepare them for a more competitive environment. Players who want to tryout for ETFC will have a chance to participate in a competitive environment. This Program is run by Bryn Dennehy and other ETFC licensed coaches. The ETFC coaching staff will make sure that groups remain small (10-12 players) and close in skill and age.

The sessions focus on technical skills. Players will work on footskills, juggling, moves, passing and receiving, and finishing. After one hour of individual skills, players will then play small-sided futsal games. In these games, players are encouraged to apply their newly learned skills in a fast paced game with a ball that is slightly smaller and heavier than a regular soccer ball to encourage work with the ball.
